

24H AIRPORT, EASY ROAD ACCESS TO SPAIN & SOUTHERN FRANCE

Barcelona Airport is a 24H infrastructure with ample capacity for air freight. It is near the port and has easy access to the main road arteries to the rest of Spain and Southern France.

PRODUCT DIVERSITY

The direct catchment area of Barcelona offers a wide variety of industrial products, both for imports and for exports. This variety ensures a varied hold and a diminished dependence on single producers or sectors. Textiles, automotive products, pharma and chemical products and perishable foodstuffs are the main air freight sectors around Barcelona.
